I know that my boyfriend loves me, he told me so. He also told me that I had a beautiful body and, of course, he loves my boobies. He especially likes sucking on my nipples because they get really hard. But the best thing about us is that we're pretty experimental, and that let to a lot of anal play today, and it was marvelous. I hope you enjoy your anal play, and my boobies.

a marvelous guide to awesome

There's little we can add that probably hasn't been said about breasts. And since the predominating interest seems to be with larger ones, then lets get on with it. We're proud to present a short visual on the reason you're reading, er, looking at the photos, in this magazine. So enjoy what women are blessed with and we men adore, worship, squeeze, lick, and photograph!

a marvelous guide to awesome tits

Most women, especially those endowed with an ample chest, are more than happy to tease and show a little of it. The French call it *décolletage*. It's also what guys look at when a lady walks by, or sitting opposite of her. But it's most obvious when she catches you looking and says "My eyes are up here."

But we also want to know what's under her top.

We want to see them because we are curious because we're interested in the lingerie she wears, if her breasts are firm, if they sag, what will they look like in forty years?

But also, her nipples arouse our curiosity. We expect them to be normal looking. But look ... >

Seriously now, we do wonder what's the size and shape of her nipples. Are they inverted? Do they erect when they're touched or licked? Does she have a double nipple? No matter, the longer they stay hidden the more we want to see them and ultimately to touch them. It's paradise when we do.

a marvelous guide to awesome breasts

Now here's something we guys hardly ever get to see, unless you're fucking her in front of a mirror. So if you have the chance to find the opportunity to put her in this position, go at it! Go ahead, watch them in the mirror as they sway and flop to the rhythm of your thrusts. It's a rare sight and one you'd enjoy.

And now, what to do with them. We want to see them under us. Straddling her chest, with your hard cock nestled between them is a sight all us men would cherish.

So your cock is there, she's squeezing them together and the friction is just right. A few more quick full thrusts and you cum all over them.

Yes, you've cum all over them and your efforts are rewarded with an exquisite visual of your warm seed all over her heavenly mounds. You back off and take it all in. She goes for a towel, but you ask her not to do it. This is the perfect time to rub it all over her boobs and feel their softness and warmth. Perfect!

*Davia Aridell &
Monica Sweetheart*

We have a great relationship. We get along really well. So well that we like to spend naked time together, playing with each other. Isn't that what you would do with your girlfriend? Time to bring out the mouths and tongues, and after that the toys. The big toys because we're big girls with big sexual appetites. That's why we're in pictures and in movies.

Gianna

I always get lots and lots of compliments on my body. I sometimes explain that I make my living with my body. When they have a quizzical look at that answer, I pull up my top and flash the twins. That usually does it. And when I put my top back down, I have to snap them back to reality. I wish I could tell you how much my boobs have earned me but I don't think my accountant would be happy.

You want me to talk about my boobs? You mean the one's I have now.? Well, like any girl, I've always had them, but I got them augmented and, yes, they've done wonders for me. For my self-confidence, for my lovers, and especially for my pocketbook. I went from being a secretary to a porn star because of them, and having a high sex drive helps, too.

he began putting his plan into operation. They settled in the living room and Tony turned on the television.

"Do you wasn't to watch anything in particular?" she asked. "You. Writhing in passion, coming multiple times, screaming my name." he said. Smiling, she decided to play along, "Really. So you think you can do that?" "It's what you asked for, isn't it?" he responded. "And now you are going to get it!"

Right on cue, he lowered his mouth and his lips descended to hers, devouring her with his hungry kisses. She felt herself responding to his fierce passion, scarcely noticing when he

OF BOOBS AND BUTTS

her husband didn't get in the way of their celebration

Liza was so excited about their upcoming anniversary she went for a Brazilian wax, manicure, pedicure and a brand new hairstyle. They had been together only eight months but the excitement was still new and the adventure still made her tingle. Tony was a different kind of lover. One that cared for her, but made her earn his love. Not like Alek, her husband, who just seemed to go through the motions. Ten years of going through the motions with him was no longer exciting and Liza was feeling the best years of her life slipping by.

Thursday was their anniversary and Tony made special plans for a night out including dinner and romance. Liza was all excited and used her favorite excuse to leave her house and Alek. "I'll be making those newest clothes with the girls till late tonight be-

cause we have to get the designs shipped out tomorrow, so don't wait up for me." Alek barely looked up from the television and the football game as she headed out the door. She arrived at the restaurant to find Tony standing by his car in the parking lot with a small gift box in his hands. She walks over to him and with a small kiss on the cheek they go inside.

Like most things with Tony, dinner was wonderful. Great food and nice conversation with talk of travel, sex and finally the presentation of her gift. She resisted all evening to ask if it was for her, because it obviously was. "You can't open it until we get back to my house." he said. She smiled and shook it gently near her ear.

When they returned to his house

had drawn her to her feet and began stripping her of her clothing. Distracted by his lips and tongue in her mouth, she did not notice her semi-clothed state until his hands closed around her ample DD-cup breasts, his fingers swirling over the sensitive nipples, making them stand up.

He took her hand and firmly pulled her to the bedroom. She stumbled to gather her clothes and he turned back to her and said "Leave them." There was a small lamp glowing in the corner of the room, illuminating the bedroom with a warmth she liked. As she felt the backs of her knees touch the edge of the bed he dropped to a crouch before her, taking her last remaining item of clothing, her panties from her. She now stood naked before him, a fact that he used to his advantage, nibbling and caressing her flesh, paying particular attention to her now stiff nipples before dipping down to part her rapidly

moistening labia and swipe his tongue across her pussy lips.

Before she could do anything, he grabbed both her wrists putting them behind her back and holding them there. This position brought them tightly together,

of clothing, his fully erect cock sprang into her view and she unconsciously licked her lips. She lunged forward, engulfing him between her lips and began to suck his throbbing cock, as he hissed in appreciation of her skills.

and he kiss-whispered into the pulse point on her neck just below her left ear, "Happy anniversary, babe. I'm in charge here tonight. You'll do whatever I say and you'll enjoy whatever I do."

Tony was an aggressive lover, but he hadn't talked like this before. She closed her eyes and moaned, and he continued, "You are mine! To do with as I please!" he growled into her neck, then pushed her gently onto the bed. She was a feast for his eyes. Her eyes were fixed to him as he began to remove his clothing and as he removed his last item

He quickly moved to straddle her head, keeping his cock within reach of her mouth, while allowing his tongue access to her tasty treasure. She moaned around her mouthful when he flicked his tongue across her labia, before settling to licking her clit, eliciting moans from her as she continued to work his rod with her sucking mouth. But eventually she couldn't hold her head up anymore, and she dropped it back to the pillow.

With that he carefully rolled off her and the bed, and bent to retrieve a few necessary items

from his closet. A large foam wedge he placed under her butt, lifting her pelvis off the bed. He then retrieved the other items; a bottle of lube and the gift box he had given to her at the restaurant. She opens it to find a beautifully designed crystal butt plug. Under different circumstances perhaps, she would have thought it a little unusual or even perverted, but under these circumstances, she was thrilled to receive it and use it.

Tony returned to his task at hand and went back to devouring her tasty wet pussy. He licked her clit, sucked her plump slippery lips into his mouth, and delved his fingers into her pussy to coax pleasure out of her g-spot. She moaned and writhed against his fingers pulling them deeper into her pussy. Tony reached for the new toy, wetting its tip in the velvet folds of her tunnel, getting it thoroughly wet before sliding it into to her tight puckered ass. He turned the vibrations on to half speed and began to work the tapered tip of the plug into her, all the while continuing his oral assault on her throbbing clit.

He pulled the plug back a bit and quickly added a squirt of lube from the bottle to her ass and the toy. Sufficiently lubed, he began working it farther up her back tunnel, slowly stretching the ring of her sphincter, the slight rubbing against this sensitive taboo spot adding to her arousal, making her moan and writhe even more energetically. They had been experimenting with anal sex for a few months, adding it into their repertoire occasionally, slowly increasing the size she could take. This plug was their widest yet just over the width of the head of his rigid cock.

As he finally worked the full plug into her ass, as the widest point passed her sphincter, she exploded into orgasm, thrashing and squealing, his tongue a blur across her engorged clit. The pleasure seemed to go on forever and the plug in her butt, prevented from expulsion by the slight constriction just past the widest point, caused her anus to tingle with naughty delight.

As she came back down from her high, he placed his throbbing cock at the entrance to her now sensitized vagina and began to slowly slide it into her. The reason for the wedge under her now became apparent as the angle this cause the head of his cock to rub against her g-spot with every thrust. She found herself beginning that climb to ecstasy again before she had even finished coming down from the

first one. Seeing her reaction, he began to thrust into her with increasing speed and force, amplifying his efforts by turning up the speed of the vibrating plug still deliciously stretching her ass, until she was once again on the cusp.

He leaned down, again adoring her full heaving breasts and took one of her nipples into his mouth, sucking hard and pushing her over the edge again into orgasm narrowly avoiding that fate himself. "I'm going to cum in your ass, baby," he said. Flushed with excitement, he pulled out of her, reached down and gently pulled out the now silent plug from her rear. Adding another long squirt of lube to her quickly contracting ass, he placed the head of his cock at her back door, and began to push his rod into her ass. At this new inva-

sion, her eyes flew open. Biting her lip at the strange sensation of his smooth hard cock in her ass for the first time, he proceeded to slowly feed the rest of his length into her. "Take me all the in and get ready cause I'm not going to hold back much longer," he insisted.

His near-orgasm of a minute earlier, almost set him off on his first stroke into her. Tony's need to take it slow to allow her to get used to this, worked in his favor, letting him settle down little by little until he was seated firmly in her anus. Pulling slowly back until only the mushroom head of his cock remained embedded in her, he added another squirt of lube along his length. The slight rubbing of his shaft through her now aroused sphincter, began once more to send jolts of pleasure to her molten core.

He once more reached down to her still sensitive clit, rubbing it fast. The tight passage pushing him all too fast toward his climax, as the friction along her ass-ring blended with that of his fingers on her clit. It was to be slow, but after less than two dozen slow strokes, he found himself uncontrollably thrusting out his orgasm, spewing powerfully into her ass until she reached her third climax of the night. Pulling himself out of her, he then pulled her against him. He felt her large breasts squish against his chest, their panting, heaving chests pressed tightly together as they wrapped their arms tightly around each other, kissing passionately between long, deep breaths.

Looking into her eyes with a naughty smile he said, "Happy Anniversary," he gasped.

"You're the best," she gasped.

I knew I'd have big boobs early on in life. My mom had big ones and by the time I was eighteen I was a double D. Now, it really doesn't matter, the only people that seem concerned about them are my boyfriends. And they all love them. They like squeezing them, batting them around, and they like it when they shove their cock between and fuck them.
